Madison Conservation District

Alumni Scholarship Application

Purpose

The Madison Conservation District is dedicated to supporting the next generation of land stewards and natural resource professionals. This scholarship recognizes a college student who has demonstrated interest, leadership, or academic pursuit in conservation, natural resource management, agriculture, watershed science, wildlife biology, environmental policy, sustainability, or related fields.

Eligibility

- Be currently enrolled in a 2- or 4-year accredited college, trade program, or university.
- Have graduated from school, or lived within the jurisdictional boundaries of the Madison Conservation District.
- Priority will be given to students pursuing studies related to conservation, natural resources, range management, agriculture, environmental science or sustainability.
- Only typed or legibly hand written applications will be accepted

Application Requirements

Applicants must submit:

1. Resume and Cover Letter
2. Personal Essay (500-650 Words):
   Describe your interest in natural resources or conservation. How have your experiences shaped your career goals, and how do you hope to contribute to the future of land and water stewardship?
3. Two letters of recommendation
   From a teacher, advisor, mentor, or community leader, NOT a family member.
4. Complete Application Form

Complete applications are due by **April 12th, 2027** and can be submitted to the Madison Conservation District at info@madisoncd.org or mailed to PO Box 606, Ennis, MT 59729.
